NEWS RELEASE

OFFICER INVOLVED SHOOTING

A preliminary investigation pertaining to an officer involved shooting reveals the following: On May 15, 2008, at approximately 1:02am, San Antonio Police received a call for a suspicious person outside of the Walgreen's, 6901 San Pedro. While enroute, updated information was received that the Walgreen's was now being robbed. Minutes later, three SAPD officers arrived simultaneously and entered the store. Officer Roy Naylor, a 12-year veteran, was one of those officers. As the officers entered the store, they saw a female suspect holding a manager at gunpoint. At the same time, the suspect was ordering the manager to give her the money from the pharmacy cash register. The suspect was wearing a ski-mask and was clearly robbing the location.

Officer Naylor, along with the other officers, verbally ordered the suspect to drop her gun, which the suspect refused to do. At that point, Officer Naylor feared for the manager's life and fired one shot from his service weapon. The suspect was grazed in the head by the gunshot and immediately went down to the ground where she was taken into custody. The suspect was transported to University Hospital in serious condition and will be charged with Aggravated Robbery.

It was later discovered that the handgun used by the suspect was a toy gun. No other injuries were reported by any of the employees or customers.

The identity of the suspect is being withheld pending the filing of formal charges.

The San Antonio Police Department's shooting Team is handling the investigation and will submit their findings to Police Chief William P. McManus and the Bexar County District Attorney's Office. As per policy, Officer Naylor will be placed on administrative duty while the investigation continues.
